On Public Safety...

*"I am the  
only candidate  
with the  
experience  
to deal  
effectively with  
public safety!"*

- Increase police presence on the street by placing two officers in each patrol car and more patrol cars on the streets at **no additional cost**.
- Assign specific crime prevention units to **combat gang violence**.
- Create a **police substation** in the **Cornhill District**, using an **existing city property**.
- Target quality of life issues such as **littering** and **drug pedaling** on our streets.
- Fire prevention teams available to Utica residents
- Provide and install **smoke detectors** and **house numbers** to area citizens who meet criteria.
- Combine the Utica Fire Dept. with the Codes Dept. as **one unit**, which will provide much needed man power to enforce code issues.
